To Whom it may concern:

On behalf of the Running Ravens 2017 Sponsorship Campaign, we are asking Houston businesses, corporations, and individuals to support the Running Ravens Track Club; by donating an annual gift through funding resources to assist in serving the continued mission of student-athletes in the Cy -Fair area.

The Running Ravens Track Club (RRTC) was founded in 2010 in response to very limited professional track and field youth programs catering to the elite athlete in the Cy-Fair / Jersey Village area in Houston, Texas, since 2010 RRTC has expanded our reach to beyond the limits of Cy-Fair/Jersey Village to Spring TX and Waller County. RRTC is a youth track and field program which continues to serve community needs with a value-driven athletic program. RRTC serves more than 150 children each year, uniting boys and girls of all ages, races, faiths, backgrounds, abilities and income levels.

Our annual Sponsorship Campaign has a goal to raise critical dollars directed to serve approximately 150 After School children from the age of 5 to 18. The RRTC continues to play a significant role in the daily life of those in our community. Thanks to significant contributions, 100% of the RRTC children will receive assistance in the form of medical and hydration supplies, tents (providing protection from harsh weather elements), running equipment (such as batons, blocks, spikes, etc.), and travel and lodging expenses for the 2017 AAU Junior Olympics in Detroit, Michigan. Currently Cy-Fair ISD charges for the usage of facility rental for practice at a rate of \$65/hr. In order to try to maintain affordable registration rates for our parents, sponsorship is needed to help offset this cost. Proceeds from the sponsorship efforts will benefit every facet of the RRTC's operations, including scholarships and volunteer programs.

Every Season the RRTC Host an annual AAU track and field meet, which invites 15-20 track clubs from the Houston, Austin and Dallas, areas to compete, drawing a crowd of 1,000-1,500 participants and spectators. This meet host some the nation's top talented athletes in their respected age groups, with multiple national medals and awards. The annual track meet hosted by the RRTC has become one of the more respected and anticipated track meets in the Houston, with your continued help and support the RRTC track meet will maintain a high level of excellence.
